

MEMBERSHIP TO COMMUNITY PERFORMING ARTS CENTER

How Your Membership Will Help:

Through our partnership with Pima County, we now have a beautiful state-of-the-art 200 seat Performance Theater, Set Construction Studio, Art Gallery, modern dressing rooms and reception area. Membership revenues help fund CPAC's wide array of arts programming for our community.

The CPAC Foundation believes that the performing arts:

- Inspire and challenge our young people
- Promote economic vitality
- Enrich everyone's quality of life

We could not offer these cultural opportunities without the loyalty, dedication and support of the foundations, corporations and individuals like you. Please help us continue to expand our programs and grow with the Green Valley community. Your payment is tax deductible to the full extent of the law, and is greatly appreciated.
