Please describe your background and/or interest in education and/or the arts.

Please select your preference from the following class disciplines. Number your first preference "1" and your second preference "2", and so on (you may include as many preferences as you would like).

Dance Drama Music (vocal) Music (instrumental) Visual Arts

If you do not have a preference, or would like to volunteer your assistance in other ways, please describe.

Please note that COTA students will be assigned to one discipline for an entire session. Classes will be made up of students going into 3rd thru going into 8th grade.

Please understand that participating with a particular class thru their full experience has value, so if at all possible, volunteering for a complete session would be optimal. Note that there are sessions in both June and July. Classes are from 8:00 AM until 12:00 PM.

Please circle all of the scheduled program times for which you can commit your participation.

It is a requirement for us to obtain a fingerprint search affidavit of all those working around children and teenagers. If you do not have a current affidavit, you may obtain one at the Sheriff's Auxiliary Volunteers office (next to the Green Valley Library). Their hours for this service are Tuesday, from 9AM until noon, and Thursday from 1PM until 4PM. The service is free. Thank you for your understanding.
