

Beyond Process: Bringing Our Purpose & Passion to Abstract Painting with Oil & Cold Wax

Supply List

Required Supplies:

- **Painting panels 6 – 8** (more if you tend to work fast)
 - 12" x 12" is a good size for the class –in this workshop you will work at your own pace - if you tend to work rapidly you may want to have a few extra or to bring slightly larger panels to work on, but nothing larger than 16" x 20". Remember you will need to transport these home and they will not be totally dry at the end of our class. Panel depths are available in flat (1/8") or 3/4", 1.5", and 2"
 - Recommended panels: Gessobord by Ampersand or Blick's similar panels available through Dick Blick and other vendors.
