

An Important Message from CPAC

For the safety of our community and in response to recent CDC recommendations, the Community Performance and Art Center has cancelled the balance of our spring 2020 theater season. Performances include:

- Heather Hardy, March 16
- Diane van Duerzen and Lisa Otey, March 17
- A Cool, Cool Evening, March 18
- Ricky Nelson Tribute, March 19-20
- Hot Havana Nights, March 21
- The Good Doctor, March 27-April 4
- Jason Winfield, March 29
- TSO Woodwind Quintet, April 7
- The Blues Redeemers, April 8
- Country Classics, April 14-15
- ABBAFAB, April 16-17
- Sheryl Ann, April 29

CPAC staff will be in touch with ticket holders of these cancelled shows within the coming weeks. Patrons may exchange tickets for a future performance, transfer the dollar amount to a gift certificate, or receive a full refund. As an additional option, please consider donating the cost of your tickets to CPAC as a tax deductible gift, as it will help offset the loss in revenue due to these unforeseen circumstances.

Ongoing decisions will be made utilizing the most current information available. Pending the status of the COVID-19, we hope to resume our summer theater season in May.

In cooperation with the Santa Cruz Shoestring Players, we have tentatively rescheduled The Good Doctor for May 15-16 and 22-23 at 7pm, with matinees on May 17 and 24 at 3pm.

We are thankful for our loyal patrons and we look forward to serving you again as soon as possible!

Chris Ashcraft
Executive Director
