

2022 Spring/Summer Ticket Guidelines

Welcome to the 2022 Spring/Summer season at the Community Performance and Art Center! We are pleased to tell you that CPAC is back and thriving, and that is thanks in great part to you! CPAC is grateful for the outpouring of support from the community and we remain more determined than ever to service this region by increasing quality of life through the arts.

We appreciate your continued cooperation with wearing masks at the facility as we revert back to full capacity events. We have all learned to be flexible and that will remain an important factor as we forge ahead.

We are pleased to welcome folk legends The Kingston Trio as an add on to the spring season as well as Kenny Endo Taiko Ensemble from Honolulu, Hawaii! We will host several first time performers at CPAC this summer including Stillhouse Junkies, Tucson Girls Chorus, Neamen Lyles, Connie Brannock and others, along with several audience favorites including Mamma Coal, Gary Allegretto, The 4GENTS, Alex Mack and Pete Swan.

CPAC is proud to serve the community in a variety of other ways by offering adult visual arts education workshops, a youth summer theater camp, our resident dance company, and hosting numerous rental events and a variety of other functions. The summer theater camp will present a production of Seussical the musical after an immersive two week theater experience!

Thank you for your support of the Community Performance and Art Center and we look forward to seeing you soon!
