

"Structures" CPAC ART SHOW 2023

MARCH 31ST TO APRIL 30TH

CPAC is pleased to announce a visual art exhibition: **Structures**. The website <https://www.vocabulary.com/dictionary> defines and describes structures as something of many parts that is put together."

"Structure is from the Latin word structura which means 'a fitting together, building.' Although it's certainly used to describe buildings, it can do more than that. A family's structure includes the relationship of its members, your body structure can refer to how your muscles and bones fit together." Other structures can be bridges, dams, houses, spider webs, trees, shells, organizations, etc.

Arizona artists are invited to participate in this juried exhibition at CPAC. Each artist can submit up to three pieces. Submissions are welcome from across the spectrum of visual arts. The entry fee is \$30. All artworks must be for sale. CPAC will retain 25% of the sale & handle the paperwork. Please remember this as you price your work on your entry form. **Artists agree to pay CPAC their 25% commission on any work displayed during the exhibit that is sold within 30 days after take-down of the show.**
